Hatley Welcomes New Business – Everything Log, LLC

Model cabin at 103 Jones Avenue.

The Everything Log Team.

Take a look at Hatley's newest business. When driving on State Road visiting the R-Store or the Subway restaurant, you may have noticed a small rustic log cabin constructed outside the showroom displaying rustic log furniture such as chairs, tables, beds, cabinets, railings and more. Mike Wille is the local site contact owner in partnership with his father Mark Wille who oversees operation at Oconomoc, WI. The Woody™ Cabintek concept is the trade name for the versatile, cost-effective log cabin building system offered by the company. The cabins can be small and compact as the model, or as large as a 2-story, 9000 square foot lodge. Mike tells us you can order a kit for the do-it yourselfer, or have the Woody team of professionals build it for you. If you are interested in log furniture or a log cabin home, stop by the showroom and take a look at the model cabin and furniture available.

The address is 103 B Jones Avenue, Hatley. Telephone contact for the showroom is 715-446-1880, Mike's cell number is 715-409-0311, or check out their website at www.cabintek.com.

From furniture to log cabins, Everything Log, LLC is just what their name implies.

NEW FALL YARD WASTE DISPOSAL SERVICE

The Village Board has had requests for a yard waste disposal resource. We listened and are announcing a yard waste disposal resource for Village of Hatley Residents. This will be on a trial basis between October 1, 2016 and November 20, 2016 for fall yard clean up. Here are the details.

Village of Hatley residents will have a twenty yard dumpster available for disposal of yard waste, such as: grass clippings, leaves, garden & flower bed waste, twigs and small branches with a diameter of less than 6". Please cut branches and twigs down to a reasonable size before placing in dumpster.

The container will be located at the Hatley Wastewater Treatment Plant at the end of Lepak Street. This dumpster is strictly meant for residents of the Village of Hatley. NO commercial dumping. NO plastic bags, food waste, or garbage of any kind are to be placed in the dumpster. Please be sure that all yard waste is put into the dumpster and not left on the ground around it.

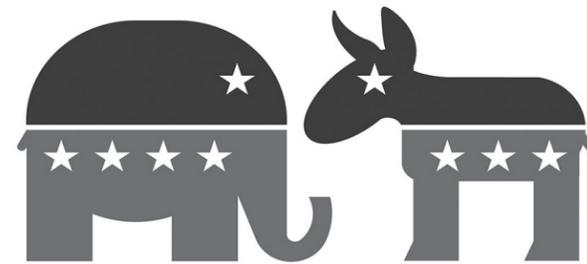

This is on a TRIAL basis provided for Village residents – for your convenience. Your cooperation with the above guidelines will determine if this service can continue for the entire 2017 season.

Village Board Appoints Interim Treasurer

At the April 12, 2016 monthly meeting, the Village Board appointed Joseph J. Szews to fill the remaining term of Village Treasurer vacated by the resignation of Richard Schaber. Village Receives Apology Letter

Sometimes one's personal actions can have chain reactions on others. This apology letter was received from a young man that caused sign damage in the spring of 2015. We appreciate the assurance that this will not happen again.
