2. Check before burning: After 11 a.m. on the day you wish to burn, check the daily burning restriction and select the county where you plan to burn. Fire conditions change quickly, so it's important to check each day you burn to find out if burning is allowed, burning hours and any size limitations. No burning on Sundays in the Village of Hatley. Weekday burning after 6 p.m. is recommended.
3. Follow the rules: Follow the daily burning restrictions and fire safety recommendations listed on the permit. Make sure to have all the necessary tools to keep your fire contained. Lastly, make sure your fire is completely out before leaving. Burn Responsibly or Don't burn at All! **Permits do NOT apply to fire pits.**
