The Village of Hatley announces to local residents as well as guests traveling through Hatley an opportunity to buy locally grown fresh fruits and vegetables.

Opening a Village Farmers Market is a great opportunity for residents, guests traveling through, local farmers, gardeners and crafters a community gathering space to learn how the food is produced or the crafts are made.

The Village of Hatley will arrange to offer space for vendors to offer locally grown fruits and vegetables and perhaps some baked goods and homemade crafts at the Hatley Library/Community parking lot located at 435 Curtis Ave. The Farmers Market will be held weekly on Wednesday starting on June 26 and running through to September 11, 2024. Our hours will be from 3 p.m. to 6 p.m.

All vendors will be required to submit an application and permission to sell at the Hatley Farmers Market.
