Tuesday	10a-4p	
Wednesday	1p-7p	
Thursday	10a-4p	
Friday	10a-4p	
Saturday	10a-2p	

Don't forget to keep your library card current. Your card expires every two years on your birthday. We now require you to show us your driver's license or other form of government ID at the time we renew. If the address on the ID is not current, you will also need a piece of mail such as a utility bill for us to verify this new address. It's a quick and easy process! If you don't have a library card, this would be a great time to get one. A library card can expand your world. Not only do we have books but you can check out music cds, audio books, children's wonder books, phonics kits to teach your child to read, movies, art work, we've recently added wi-fi hotspots and so much more!

Family Story Time is held EVERY Tuesday @ 10:30a. Starting in June the story time will be every 2nd and 4th Tuesday and will be held outside. (Weather permitting)

Book Club second Tuesday monthly from 1-2pm. If you enjoy reading and lively discussion come join fellow book lovers. Selections vary by genre. Summer Book Clubs will be held behind the library, if bad weather we will move inside. We will also have a virtual option for guests that want to participate but are not able to do so in-person. Please give us a call for information.

The Villager

The Official Publication of the Village of Hatley | Spring 2024

Something new for the Village of Hatley: Becoming an Ice Age Trail Community!

Hatley recently became the state's 20th Ice Age Trail Community. Granted by the Ice Age Trail Alliance, the designation means the Alliance will promote Hatley to Trail enthusiasts as a destination to visit and explore. In turn, the Village will support Ice Age Trail Alliance activities to promote and conserve the Trail.

The Trail Community designation is fitting considering the Trail runs directly through Hatley (coinciding with the Mountain Bay Trail), which serves as the southern end of the Ringle Segment.

The Village Board and the Village Plan Commission will be working with the Ice Age Trail Alliance to establish an urban path through the village. In addition kiosks with Trail information will soon appear and maps of the Trail will be available to local businesses who are interested in providing information to customers.

One of 11 National Scenic Trails, the Ice Age Trail spans 1,200 miles and is located entirely within Wisconsin. Millions of people hike on the Trail each year. Its path traces the terminal moraine of the last glaciation, giving hikers an up-close experience with some of the worlds best examples of glacial formations. The Ice Age Trail Alliance is the nonprofit, member- and volunteer-based organization that conserves, creates, maintains, and promotes the Ice Age Trail. To learn more about the Trail or the Alliance, visit IceAgeTrail.org or call 800-227-0046.

(See Section 7-1-6 (b) 4 of Village of Hatley Code of Ordinances). Proper pet responsibility, and common courtesy requires you to keep your dogs on your property or leashed when not on your property. Please be considerate of other residents. You are required to license your dog in the Village of Hatley. Contact Village Treasurer, Joe Szews at 715-581-2259 for dog licenses.

BUILDING PERMITS ARE REQUIRED FOR ANY WORK VALUED OVER \$500

Please contact Zoning Administrator Bill Karschney at 446-3571 for your permit or to inquire if a permit is needed for your project.

VILLAGE BURNING GUIDELINES - STEPS TO SAFE BURNING:

- 1. Get a permit:** Obtain a free permit online from Wisconsin DNR instantly with an email address. Or call the hotline **1-888-947-2876** from 7 a.m. to 10 p.m. daily to have a burning permit mailed to you.
- 2. Check before burning:** After 11 a.m. on the day you wish to burn, check the daily burning restriction and select the county where you plan to burn. Fire conditions change quickly, so it's important to check each day you burn to find out if burning is allowed, burning hours and any size limitations. **No burning on Sundays in the Village of Hatley. Weekday burning after 6 p.m. is recommended.**
- 3. Follow the rules:** Follow the daily burning restrictions and fire safety recommendations listed on the permit. Make sure to have all the necessary tools to keep your fire contained. Lastly, make sure your fire is completely out before leaving. Burn Responsibly or Don't burn at All! **Permits do NOT apply to fire pits.**

SPRING CLEAN-UP: FRIDAY MAY 17, 2024

Items should be placed at your curb side by
6AM – Friday, May 17th to be picked up.

Villagers should use this opportunity to dispose of large items including furniture and appliances. Often several different trucks pick up various items, so all your items may not be picked up at the same time.

**ITEMS NOT ACCEPTED: TIRES • AIR CONDITIONERS
COMPUTERS • MICROWAVES • TVs •
REFIGERATORS • FREEZERS**

Please do not put these items out.

Update on Utility Wastewater Building Renovation

In 2021 the Village Board approved the renovation of the wastewater treatment building. This was in the COVID timeframe when material prices were climbing and building materials were not readily available. This project put on hold awaiting price stabilization and materials available to schedule projects. The renovation project proceeded in early March 2024. Items like exterior doors, new metal roof panels, roof insulation, new wall and ceiling insulation system along with windows were scheduled to be installed. New lighting and electrical wiring is included in the renovation. Pictures of the renovation process are included in this newsletter to show the significant improvements that have been made. The Board anticipates these improvements will enhance the functionality of the wastewater treatment building for another 20 plus years. Funding for this renovation project was secured through WI TIF Revenue Bonding back in 2021.

New 95 Gallon Recycling Carts Delivered to Residents

In an effort to keep our communities clean and create more efficient collection routes, your municipality is moving to automated recycle collection using carts. The lidded carts keep materials dry and from blowing out on windy days. The carts are also designed to easily roll to the street or road. Further, the automated collection system increases the level of safety for route drivers. **You may start using your new recycle cart as soon as you receive it. (95-gallon recycling cart (blue cart with GREEN lid) DO NOT** place recyclables in plastic bags or put bags-of-bags in your cart. Place your cart curbside before 5 am the day of collection, with the cart's handle facing your house and the lid opening toward the street. All recycling should be loose in the container. (no bags). Make sure there is at least four feet between the recycling and trash carts, and any other objects, such as a parked car or mailbox. If your carts were set out late, you must wait until your next scheduled pick-up.

HATLEY IS ONLINE!

The Village of Hatley Code of Ordinances are on line along with other Village Information. Visit www.villageofhatley.org. Board members listed on page one are also available for information.

Yard Waste Disposal Dumpster

The yard waste dumpster located at the Hatley Wastewater Treatment Plant will be available for the disposal of yard waste starting April 15th and continuing until November 2024. NO plastic bags, or any other garbage is to be placed in the container. Branches are to be cut to a reasonable length (6 foot or less in length and have diameter of 6 inches or less). In order to make unloading more convenient we are leaving the back dumpster door open. Please place your yard waste to the FRONT of the container, so others that follow you have room to unload as well, rather than having to load over the sides.

Hatley Area Fire & Ambulance District Presents Years of Service Awards at Recent Meeting

On Feb. 20, 2024, the HAFAD presented years of service awards to 3 members of the volunteer department. Years of service recognition certificates along with checks were presented to Lieutenant Commander Ron Elgersma for 20 years of service, Ron Yenter for 25 years of service and Dale Fandrey Sr. for 25 years of service. Pictured from left are Brandon Damask, Fire Chief, Dale Fandrey Sr., Ron Yenter, Ron Elgersma, David Narloch, District Board President, Penny Esker, Ambulance Chief. Snacks and refreshments were shared with family and board members. The HAFAD is recruiting new members to replace retirements, people moving from area as well as spreading the workload required to provide 24/7 emergency response service to the area covered. For more information, contact Fire Chief Brandon Damask at 715-881-8878 or Ambulance Chief Penny Esker at 715-581-2601. The HAFAD provides fire and EMT services to the Village of Hatley, Towns of Bevent, Elderon, Reid along with 10 sections in the Town of Norrie. This service area has a population of 3,646.
